Games Schedule

Games will be held in the main gym.

Endurance Games

10:30am - 12:00pm

Endurance games will be done on a per-request basis. We will do any endurance game requested as long as there are at least five competitors. We will exclude any game that will take a ridiculously long amount of time.

Five-ball endurance will take place at approximately 11:45am

Games

1:00 - 4:00pm

Games will be held consecutively in the following order. Each new game will begin immediately after the end of the previous game.

Diabolo High Toss - All contestants toss diabolos at the same time. Highest toss wins. The toss must be caught to qualify.

Speed Club Passing – Two-person teams compete to see which team can complete the most passes in one minute, no ultimates (1-count).

Speed Diabolo Passing - Same as speed club passing but with diabolos.

Three Ball Lowest Number of Catches – Juggle three balls for one minute. The juggler who makes the fewest catches wins. If you drop you're out.

Simon Says Three Ball – Do what Simon Says. Don't do what Simon doesn't say (including dropping).

Simon Says Club Balance – Play Simon Says while balancing a club anywhere on your face.

Three Ball Blind – Compete to find out who can juggle three balls the longest with his or her eyes shut.

Club Gathering - Who can catch and hold the most clubs without dropping. Clubs will be thrown to competitors at the speed of a seven-club doubles passing pattern.

Dice Dice Baby; A Game of Skill and Chance - Contestants throw one ten-sided die and then must qualify the number objects rolled.

Combat – Hit the clubs. Don't hit the other competitors. Last one juggling three clubs wins.

Play hard, and have fun!
